# 6<sup>th</sup> CADAVERIC CONFERENCE ON MISS SPINE SURGERY

Under the Aegis of  
TOCF

Govt. Medical College  
Idukki

**MISSAB OUTREACH  
PROGRAM**

**On 9-10th JUNE 2023**

At Govt. Medical College, Idukki  
And Munnar, Kerala

It gives us immense pleasure to invite you to the 6th cadaveric workshop and CME on MISS spine surgery to be held in Munnar, Kerala on 9-10th June 2023

After the successful completion of Five conferences and repeated requests by the delegates to have a more detailed hands-on conference we have extended the conference to two days so that we can have more engaging sessions

This time we are giving hands-on training and a one-on-one session with Dr. Karthik Kailash, Dr. Ajay krishnan, Dr Umesh Srikantha for one full day to train you in performing these complicated surgeries using the best implants, techniques, and instrumentation from across the world.

The number of cadaveric participants is limited and given on a first come first serve basis. Kindly book your seats at the earliest to avoid missing learning from the best. Registration for CME is compulsory for the workshop.

We have a residential package that includes the MISS SPINE workshop, stay at Munnar (venue of CME) with transport to the cadaveric session.

Participate, interact, and use this opportunity to learn personally from the experts and improve your surgical skill to become the best.

**Join the conference to have a memorable experience**
